2. The candidate must be a current college student or entering college in the fall.

The Selection Process

The scholarship selection board will consist of three judges from our Board of Directors. All decisions are final.

Decisions are based on the quality of applicants, content of the essay, level of involvement in school and other activities, as well as letters of recommendation.

The Application Process

All candidates must submit an application which contains two letters of recommendation, and a two page essay explaining why the candidate is going to college, their career goals, and future aspirations.

All essays shall be typed and double spaced.

The letters of recommendation should explain why the candidate should receive the scholarship. A good letter will include accomplishments, and good examples of work ethic. The letters must be typed and double spaced. Please limit the length to one page.

Please provide us with a copy of your current high school or college transcripts.
